

Hints for Meta - Meta Puzzle

Hmm. Not everything is what it seems! Ray's key doesn't seem to work on the ciphered text. It must be for something else entirely.

The convoy seems to be led by a tall fat man with a booming voice, who you instantly recognise from your adventures!

Suddenly, the strange merging into the convoy seems quite natural to you. ``There's really only two elegant ways to do it'', you think. You suspect Ray believes zero is an integer.
