

## Solution for 4.4 Spirits (Answer = IMMORTALITY)

Each picture is where something died; the trick is recognition.

American Pie - Music

Former Yugoslavia - Yugoslavia

Salt - Lot's Wife

Second of Henry VIII's six wives - Anne Boleyn

Church Scene from Baz Luhrmann film - Romeo and Juliet

The Sun - Icarus

Pharaoh's Death Mask - Tutankhamen

Glacier Foot - Ice

Pruitt-Igoe Housing Development - Modernism

Spray Cans - Ozone

Taking the first letters of each (twice for Tutankhamen) and anagramming gives IMMORTALITY.

We realise that many of these were very obscure; in hindsight it probably would've been better to make them easier.
