

## Solution for 5.4 Zodiac (Answer = MEDITATION)

First, solve the cryptic clues:

1. Splinter - Splinter Cell minus cell, wooden shard
2. Raja - A variant of yoga, spelt out by Sun God (Ra) and German agreement (ja)
3. Fowler - A Manchester City striker, whose name sounds like "fouler"
4. Cardigan - A sweater, and a the street between Swanston and Lygon
5. Bugs - Insects, and star of Warner Brothers
6. Goku - Pan's grandfather, and the starts to "go" and "Kurdish"
7. Mushu - MUSU with H before U, also a pork stir fry
8. Kaa - Sounds like "car", rearranged from AKA
9. Pumbaa - (Lion) King's servant, put BA inside Puma
10. Astro - Anagram "roast", can be found in "LAST ROle"
11. Grace - G for gravity, before race; Aglaia is a grace in Greek mythology
12. Pegasus - "A guess" and first letter of "permuted", rearranged

These are all animals in the Chinese zodiac, so rearrange the clues by the order of the zodiac (unlikely the Western zodiac, which full wraps around, the Chinese zodiac has a well-defined start (rat) and end (pig)) The clues are intially backwards which is a hint to arrange them in -backwards- zodiac order.

This gives KJVPSALMSVIX. You should spot the word Psalms and think about bibles.

It decrypts to: King James Version, Psalms 5:1, 10th word
