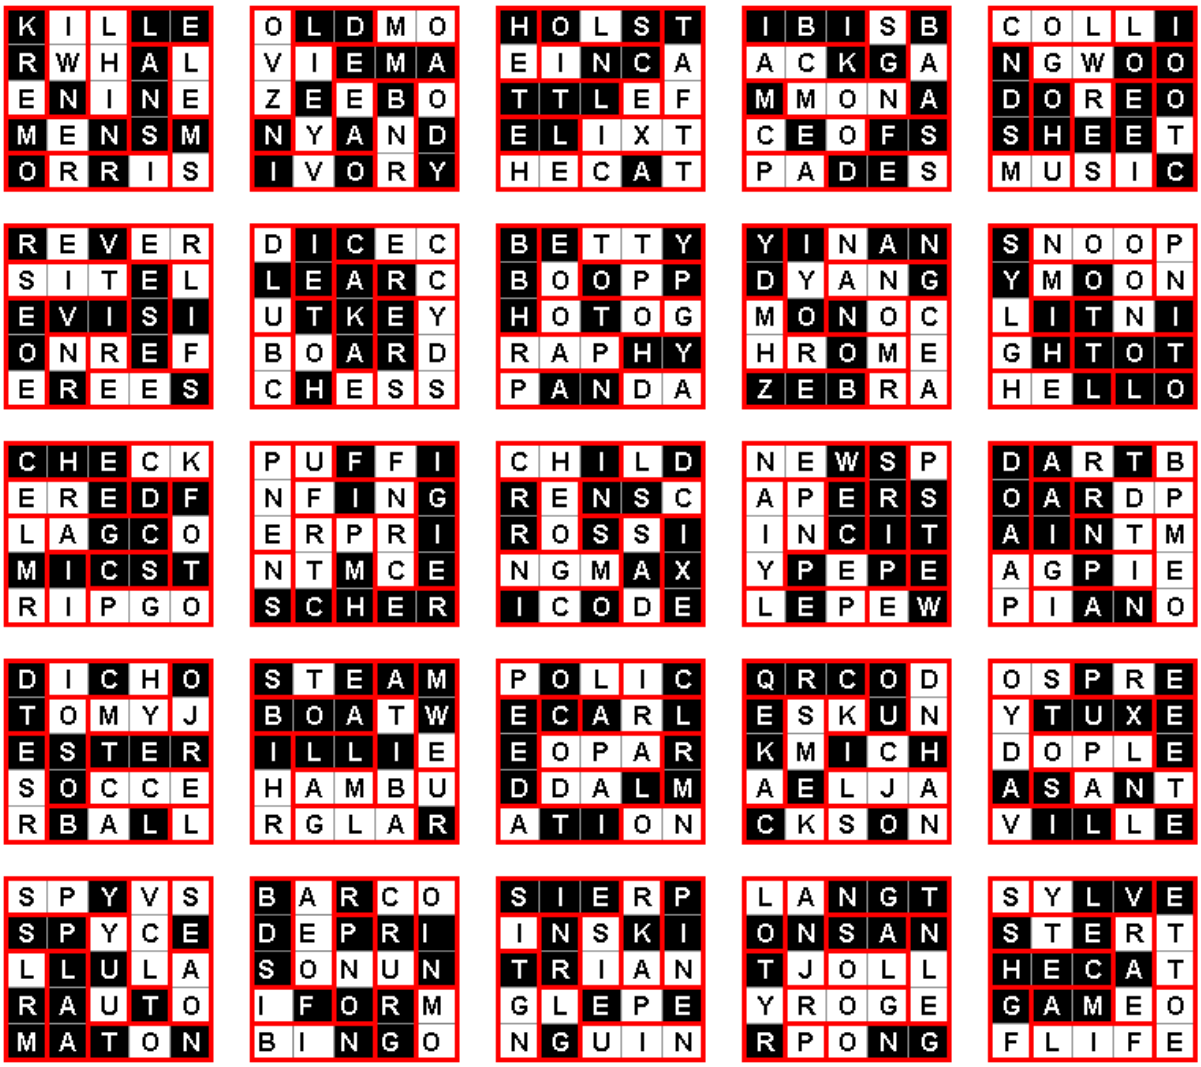
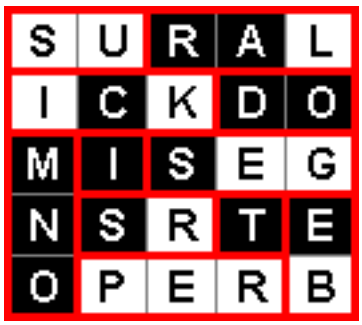
Solution for 4.2 Black and White (Answer = DOMINO)

The solutions to all grids are shown below



The singletons from these grids spell the phrase "ONE MORE GRID. USE BLACK STRIPS". Each of the singletons appear in a different cell and so can be overlaid to create a final grid, the solution to which is:



Reading cells corresponding to the 3x1, 2x1 and 1x1 black strips spells the answer **DOMINO**.
