

PAPA RATZI

AFTER A SUCCESSFUL STINT IN CHILDREN'S TELEVISION, PAPA RATZI SPENT HIS RETIREMENT DAYS PORTRAYING A TOURIST IN WANT OF KIND-HEARTED PASSERS-BY WILLING TO PHOTOGRAPH HIM. IN GRATEFUL APPRECIATION, HE WOULD OFFER TO HOLD THEIR BAGS AND PROCEED TO UNBURDEN THEM OF VARIOUS VALUABLES. HIS PRACTICES HAVE SINCE WIDENED AND HIS NAME IS NOW INFAMOUS IN THE ORGANISED CRIME FRATERNITY AS A PHOTOGRAPHER CAPABLE OF CAPTURING HIS TARGET'S VERY SOUL. LAST SPOTTED AT K-MART NORTHLAND, WHERE HE WAS COMPLAINING VEHEMENTLY ABOUT THE PRICE TO DEVELOP PHOTOS.

IT IS NOT KNOWN IF STEROPE WAS BORN WITH JUST THE ONE EYE, OR IF SOME SORT OF ACCIDENT HAPPENED TO HIM DURING HIS LIFE. REGARDLESS OF THIS, THERE ARE JUST TWO THINGS ONE NEEDS TO KNOW ABOUT STEROPE. ONE: HE ONLY HAS ONE EYE, THE OTHER BEING JUST AN EMPTY SOCKET THAT HE KEEPS COVERED WITH AN EYEPATCH. TWO: DO NOT EVER WINK AT STEROPE; HE HAS LITERALLY SNAPPED THE NECKS OF PEOPLE WHO MOCK HIM IN THAT MANNER. LAST SPOTTED BROWSING FOR SUNGLASSES AT OPSM EASTLAND.

STEROPE

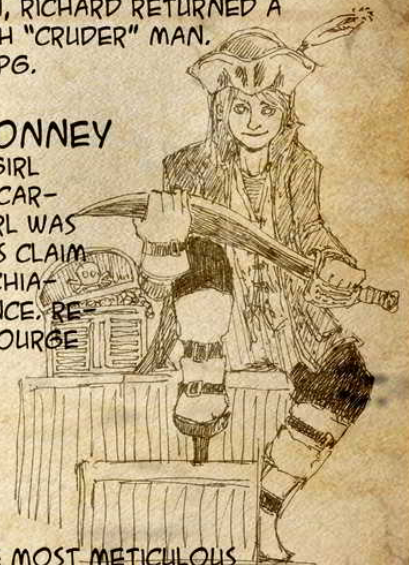

BLOCKHEAD

BORN AS RICHARD PHILTHEY, HEIR TO THE PHILTHEY SEWER CLEANING EMPIRE. AS HIS PARENTS WERE CONSTANTLY OCCUPIED WITH ANSWERING URGENT CALLS FROM ONE MRS. NATURE, RICHARD WAS RAISED BY THE FINEST ELECTRONIC GAMING SYSTEMS KNOWN TO MAN. DURING ONE PARTICULARLY FIERCE STORM, LIGHTNING STRUCK THE PHILTHEY MANSION AND TRAVELLED DIRECTLY THROUGH RICHARD, VIA HIS SUPER NINTENDO, PERMANENTLY PIXELATING HIM. THE PHILTHEY FAMILY SCOURED THE WORLD FOR THE BEST DIAGNOSTICIANS, AND NOT EVEN HUGH LAURIE COULD RESOLVE THEIR SON'S SQUARISH PREDICAMENT. AFTER YEARS IN SECLUSION, RICHARD RETURNED A GRANDMASTER OF MEDIEVAL WEAPONS, AND A MUCH "CRUDER" MAN. LAST SPOTTED AS THE FINAL BOSS OF TETRIS: THE RPG.

ANNE BONNEY

MOST SOURCES AGREE THAT ANNE BONNEY WAS JUST YOUR AVERAGE GIRL GROWING UP ON THE SUNSHINE COAST UNTIL THE DAY PIRATES OF THE CARIBBEAN WAS RELEASED. FROM THAT POINT ONWARDS, THE INNOCENT GIRL WAS LOST, AND THE PIRATE ANNE BONNEY EMERGED. CONSPIRACY THEORISTS CLAIM SUBLIMINAL MESSAGES CHANGED HER BRAIN THAT DAY, WHILE CHILD PSYCHIATRISTS BLAME POOR DIET, POOR EXERCISE AND POOR PARENTAL GUIDANCE. REGARDLESS OF THE REASONS, ANNE BONNEY REMAINS TO THIS DAY A SCOURGE UPON PRIVATE YACHTS ALL OVER THE AUSTRALIAN COASTLINE. LAST SPOTTED IN MYER PURCHASING 'ONE PIECE' DVDS.

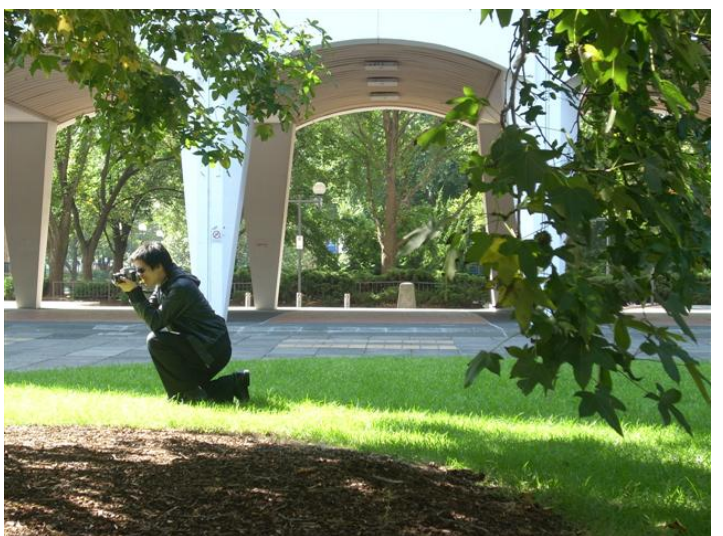

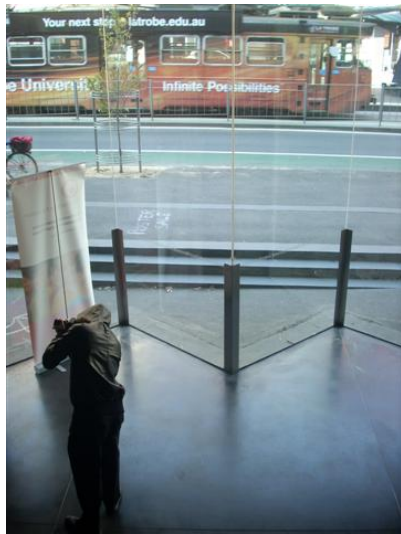

THE CRITIC

OF ALL THE VILLAINS IN THE WORLD, THE CRITIC IS THE MOST METICULOUS PLANNER. SHE STARTED OUT AS AN ARTS STUDENT WHO LIKED WRITING ARGUMENTATIVE ESSAYS JUST A LITTLE TOO MUCH, AND HER DEEP ANALYSIS OF EVENTS SOON BROUGHT HER TO THE ATTENTION OF SOME OF THE SHADIER FIGURES IN SOCIETY. HEISTS OVERSEEN BY HER ARE KNOWN FOR BEING NEAR FLAWLESS, AS THEY'RE FINELY COMBED OVER BY HER SCATHINGLY CRITICAL GAZE. BUT MORE RECENTLY, SHE HAS BECOME SO OVERLY CRITICAL THAT MOST VILLAINS SIMPLY REFUSE TO WORK WITH HER. UNDETERRED, SHE CONTINUES TO COMMIT HER PERFECT CRIMES, ALONE. LAST SPOTTED AT TROPFEST DISHING SCATHING REVIEWS OF THE VARIOUS SHORT FILMS.

Papa Ratzi

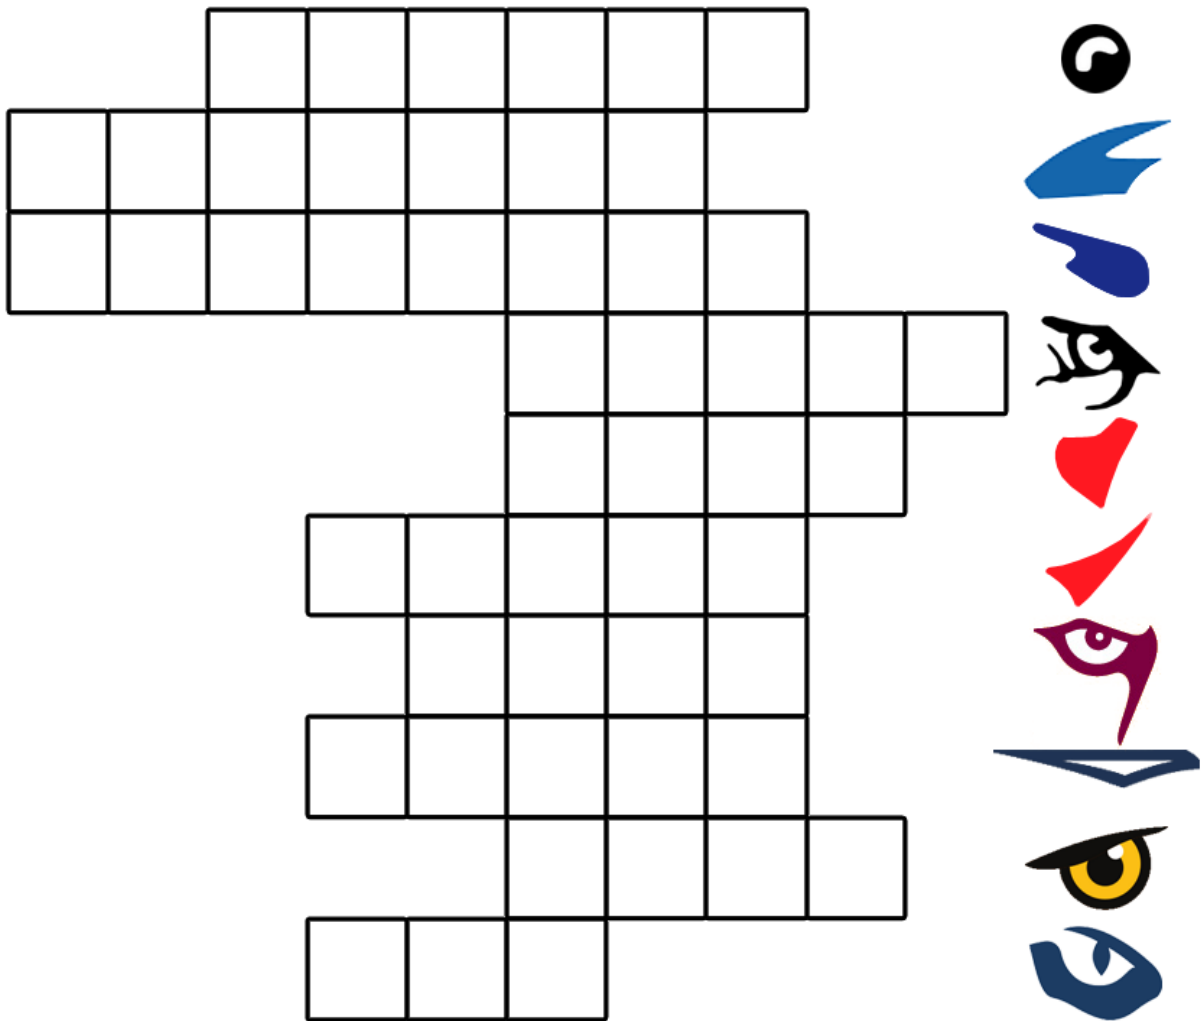

—Adrian Khoo,
Stephen Muirhead,
Tharatorn Supasiti

PICK YOUR HERO!

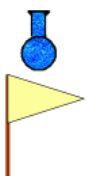

- | | | |
|----------------|---|--|
| Blood Mage | Can create boxes directly in front of him (subject to gravity).
(boxes crush potions) | |
| Running Leaper | Can jump distance 3 horizontally, then falls down. Can't jump through walls. | |
| Assassin | Can break boxes in front of him. | |
| Mr. Teleporter | Can teleport distance 2. | |
| Arcadian | Can push box towers of base 1 any distance.
Box towers stop if they hit anything or fall off a cliff, and fall vertically. | |

CONTROLS:

-  Move left / right
-  Climb up box that you're facing
- Left Click Use special ability (1 MP per use)
 Note: all heroes start with 10 MP

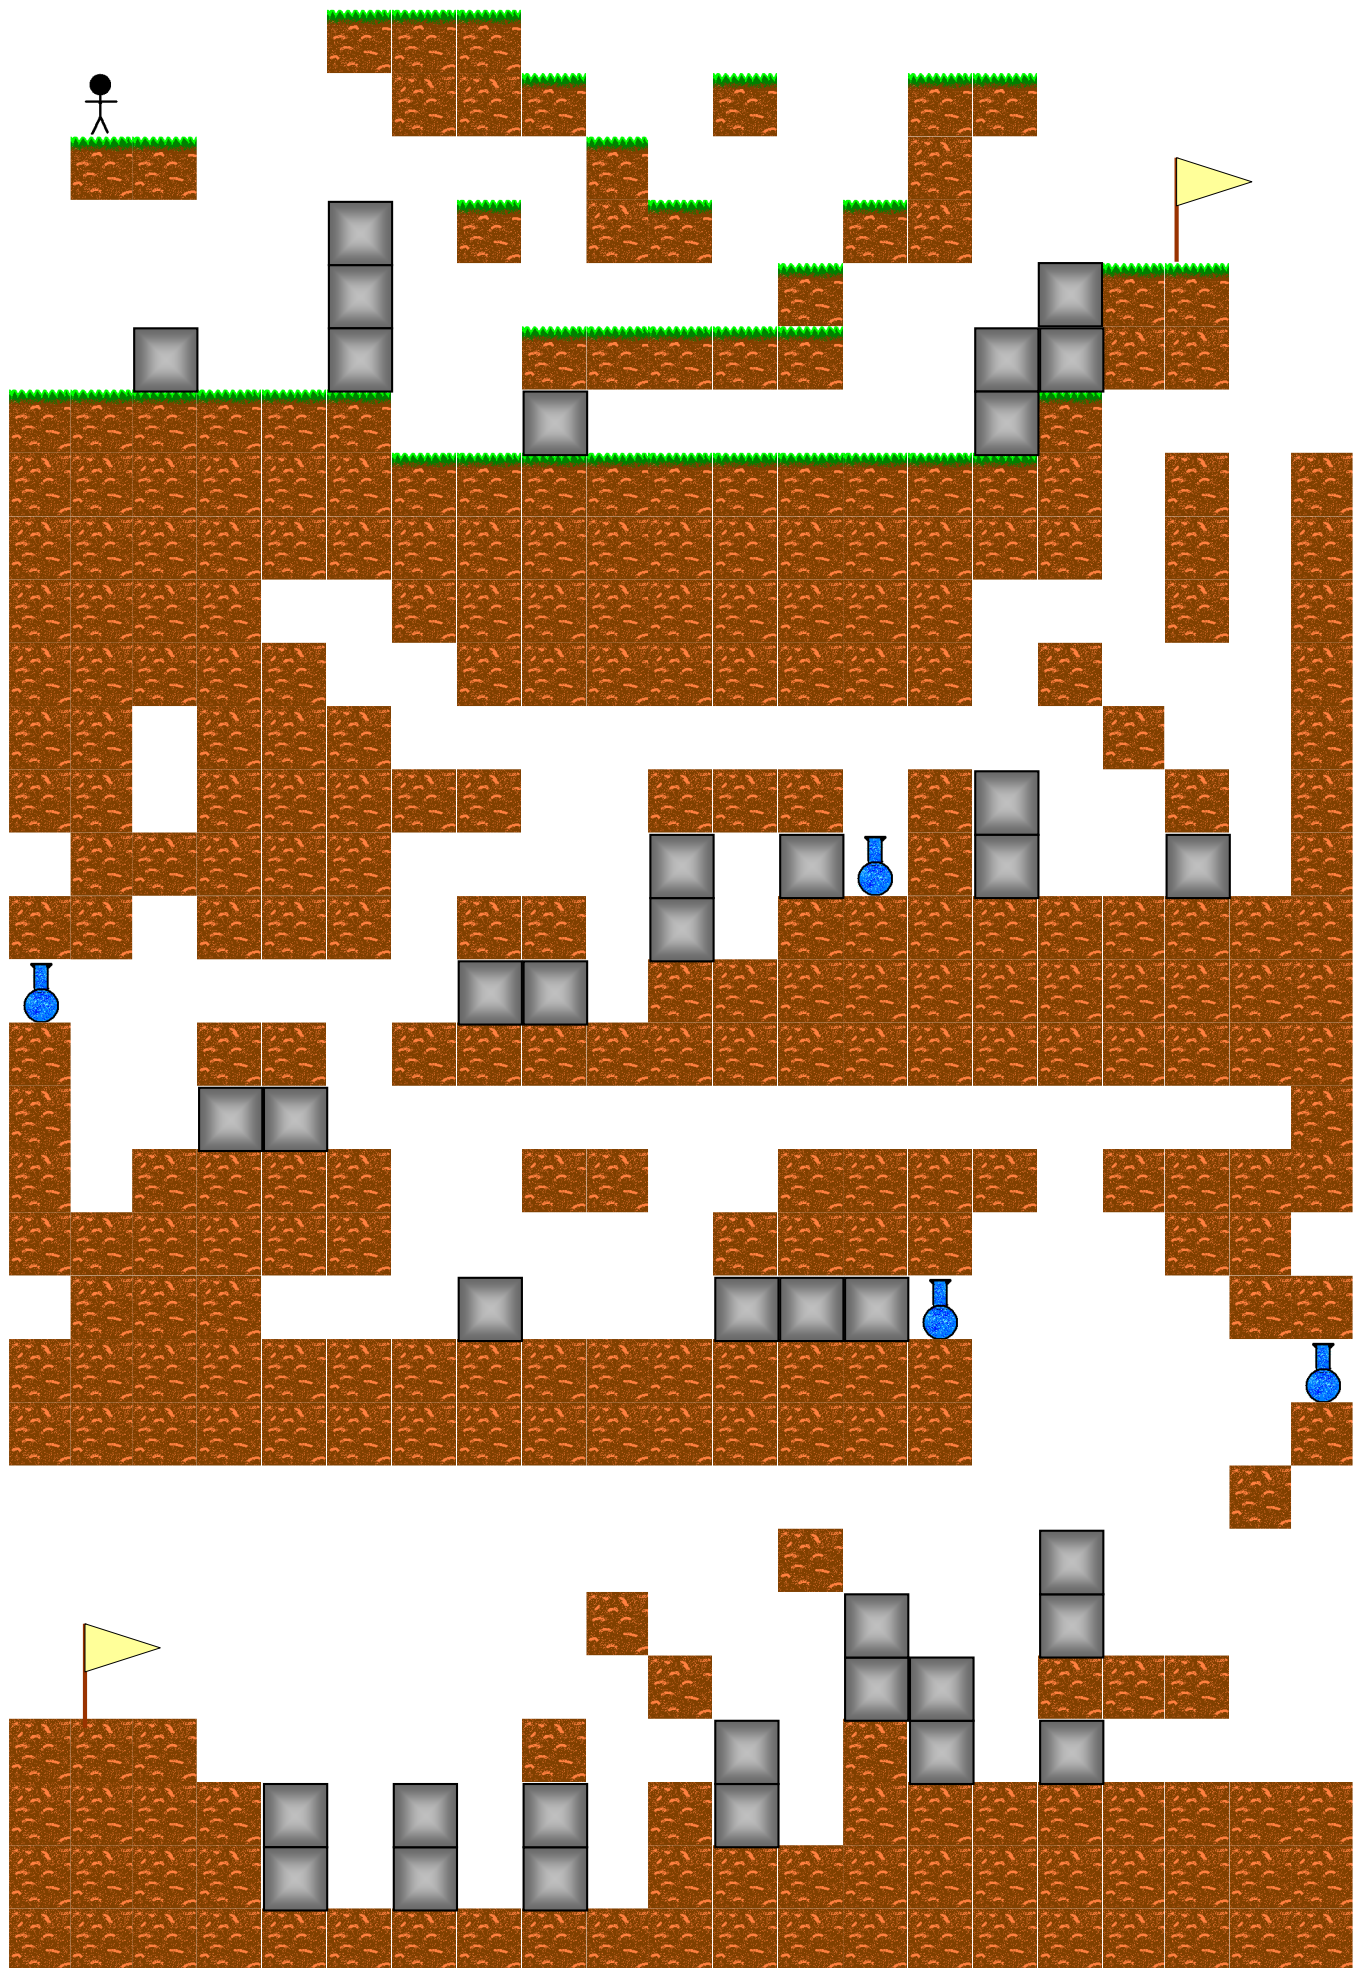

ITEMS:

Restores 5 MP upon touch (10 MP maximum)

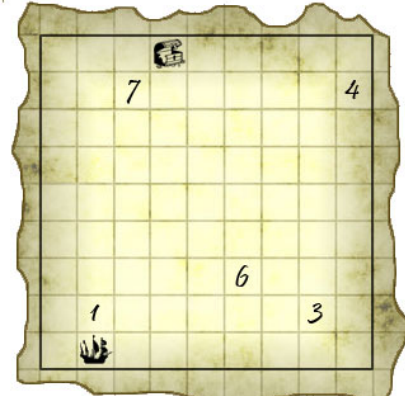

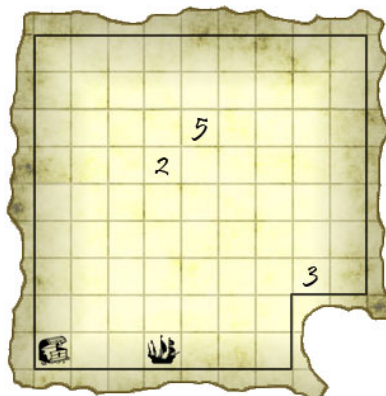

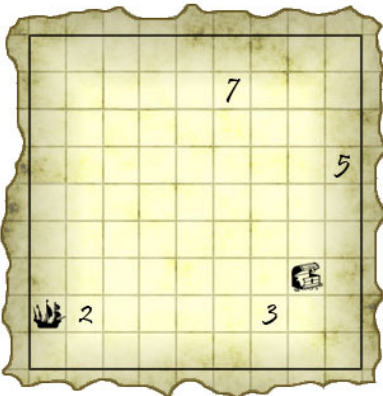

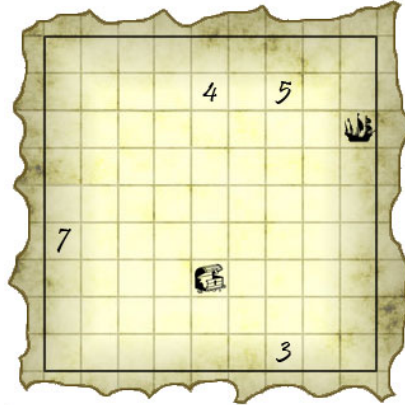

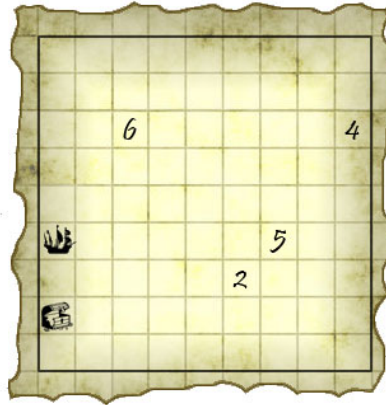

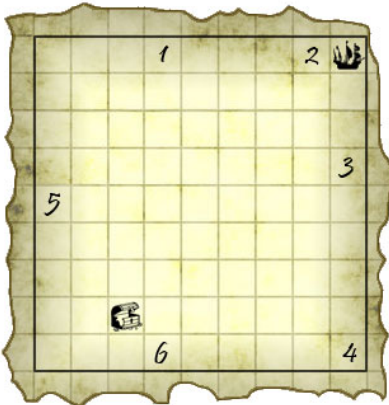

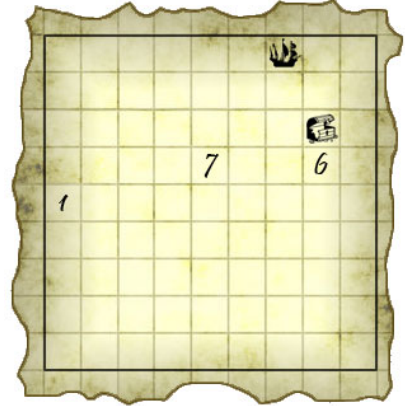

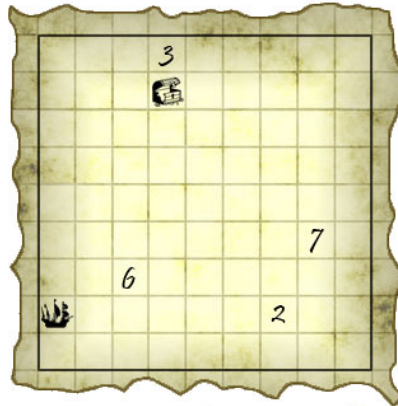

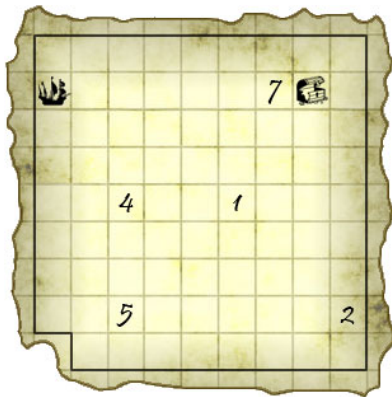

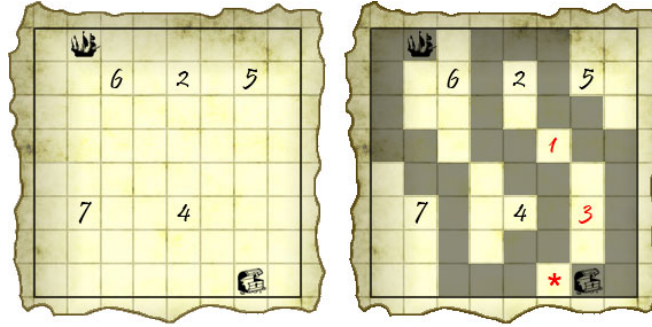

Checkpoint – restores all MP

Arrr! Some scurvy dog's spilt grog all o'er me treasure maps. They ought to show the path from the ship to the buried treasure that only tra'els horizontally and 'ertically and don't cross or touch itself 'cept diag'nally. This path be special too, coz the lefto'er cells form "Pieces o' Eight": seven separate areas with sizes 1 through 7 and one more area whose size be unknown. Luckily, the sizes of some pieces are still readable. For example:
