

Solution for 2.1 Slurs (Answer = GODZILLA)

The names from left to right read "Aaron Jane Alf Betty Claude Erin Sarah Drew". When spoken quickly, this slurs into "Arrange in alphabetical order in third row". Which gives:

```
C D A E J A S B
L R L R A A A E
A E F I N R R T <- Sort here
U W   N E O A T
D           N H Y
E

G O D Z I L L A
I C A E N U I P
P K R B J B M P
P E K R U R E L
O R Y A N A Y E
```

There is ambiguity in the two R's, but they both correspond to L's in the first row of ethnic slurs anyway.
