

### Solution for 5.4 Exorcism (Answer = OUIJA)

Firstly identify all the images, they each have a singled out letter.

LHS	RHS
Homer J. Simpson	Harry S. Truman
S Club 7	John F. Kennedy
Melanie C	Jackie O
A. A. Milne	Richard E. Grant
David E. Kelly	Mary J. Blige

The trick then is to use seven-segment displays and use **XOR** as clued by the title. This then gives us:

J xor 5 = 0

5 xor F = U

[ xor 0 = I

A xor E = J

E xor J = A
