

Solution for 2.2 Battlefront (Answer = GALLIPOLI)

Each line has a character which can be formed on a keyboard with shift+number.

| Line | Thing | # |
|------|---------|---|
| 1 | ! | 1 |
| 2 | (| 9 |
| 3 | ! | 1 |
| 4 | percent | 5 |
| 5 |) | 0 |
| 6 | dollars | 4 |
| 7 | at | 2 |
| 8 | percent | 5 |

Which spells 19150425. This looks like a date, and a quick check reveals that 25th April 1915 was the date of the invasion of Gallipoli.
