

Solution for 2.3 Abstract(ion) (Answer = ZOMBIE)

Yes, despite apperances, this document is a real abstract. However certain words have been changed which do not change the meaning of the abstract. A google search (or prior knowledge) should take you to the physics pre-press archives. The exact version of the abstract is listed in the puzzle. Comparing the puzzle to the original, you find the following words have been inserted :

extremely
unknown
detectable
accreted
human
raised

This is a cryptic crossword style clue for "zombie".
